WORK EXPERIENCE

Gautam Buddha University (GBU)

Internship   Mar 2024 - Jun 2024

Admission Cell:
- Gained hands-on experience in assisting with student admissions and related tasks.
- Worked closely with the admissions team to streamline processes and improve efficiency.
- Contributed to various administrative tasks and data management.
- Designed and implemented a Bonafide certificate structure using HTML, Bootstrap, and PHP for online accessibility."

EDUCATION

Gautam Buddha University, Greater Noida

Master Of Computer Applications (MCA) With AI, Information Technology - 8.5 (current)   June 2023 - Present

Veer Narmad South Gujarat University

Bachelor of Computer Applications (BCA), - 7.81   October 2020 - May 2023

PROJECT

Portfolio ↗   Jan 2023 - Jan 2023
Here's a refined way to present that information:
I developed a **responsive portfolio website** using **HTML**, **CSS**, **Bootstrap**, and **JavaScript** and showcasing my **15 projects**, skills, and personal information with an **intuitive, user-friendly interface**.
You can check out my **15 projects** on my GitHub account: https://github.com/coshubham

Online Food Ordering (FoodHut) ↗   Nov 2024 - Dec 2024
Developed 'FoodHut,' an online food delivery platform using HTML, CSS, JavaScript, Bootstrap, and PHP, integrated with an IBM Skills-built chatbot for customer interaction. Utilized MySQL (XAMPP) for backend database management, ensuring efficient order processing and real-time data storage.

Chatting Android Applications: ↗   Mar 2023 - Apr 2023
Developed a feature-rich chat application using Android Studio with Kotlin, integrated with Firebase for real-time database management and PHP for backend processing. The app also incorporates HTML, CSS, Bootstrap, and JavaScript, with UI/UX designs created in Figma.

Hostel Management System: ↗   Jul 2022 - Aug 2022
Created a VB.NET application for student registration, room allocation, fee management, and report generation, improving hostel operations.

SKILLS

- **Programming Languages:** C, Python, JavaScript.
- **Web Development:** HTML, CSS, JavaScript, Bootstrap 5, AJAX, PHP, Node.js, Angular.
- **Android Development:** Kotlin, Android Studio, Firebase.
- **Database Management:** MySQL, SQLite, MongoDB, Firebase.
- **Tools & Frameworks:** AWS (EC2, VPC), IBM Skills (Chatbot), XAMPP Control Panel, Microsoft Excel.
- **Additional Skills:** Figma, VB.NET (Visual Basic.NET), GitHub.
